1. QUOTATIONS AND ACCEPTANCE. Offer by Seller to Buyer of Products and Services identified on Seller's quotation and Acceptance by Seller of Buyer's purchase order ("Order") is expressly conditioned on Buyer's assent to these terms and conditions as the only terms and conditions applying to the sale of products. Fulfillment of Buyer's Order does not constitute acceptance of any of Buyer's terms and conditions and does not serve to modify or amend these Terms. Quotations valid for thirty (30) days and represent no obligation until the Seller accepts the Order. These Terms may not be varied except by a written agreement, supported by adequate legal consideration and duly-signed by an Officer of Seller. Acceptance by Buyer of the products ("Products") shall be deemed to occur upon shipment by Seller at the shipping point. In no event shall the Products be deemed to include Software (as defined below) or unreleased parts.

2. SOFTWARE.

2.1. "Software" shall mean all software, in executable code, that is embedded, bundled or included with Products. Software is provided as-is, and without any warranty whatsoever.

2.2. Software Ownership. Buyer acknowledges and agrees that Seller retains the sole and exclusive ownership of all rights, title and interest in and to the Software and any derivatives thereof and all intellectual property rights associated therewith.

2.3. Software License. Any license of source code in software shall be covered under the terms of a separate source code license. Subject to the restrictions set forth in Section 2.4, provided that Buyer is not in default under these Terms, Seller grants to Buyer a non-exclusive, non-transferable, royalty-free, worldwide limited license to use, copy, have copied, and distribute the Software in executable code form solely for use on or with Buyer's products that incorporate Seller's Products.

2.4. Restrictions.

2.4.1. Sublicense. Buyer may sublicense the Software only in executable code form to Buyer's customers and only as a part of a sale or lease of Buyer's products that incorporate Seller's Products without the right to grant further sublicenses. All such sublicenses must be subject to a written agreement that protects the Software in the same manner that Buyer protects its own proprietary materials of like significance, but with no less than commercially reasonable protection that includes at a minimum, the restrictions set forth in this Section 2.4.

2.4.2. Buyer is prohibited from modifying, creating derivative works, disassembling, decompiling, reverse-engineering or otherwise attempting to discover or disclose methods or concepts embodied in any Software;

2.4.3. Buyer is required to include Seller's copyright and proprietary notices or markings on the Software and each sublicensed copy of any Software; and

2.4.4. No right is granted Buyer to distribute: (i) any Software or any derivative of Software as a standalone product; or (ii) any Software in source code form.

3. WARRANTY. Except with respect to Software and unreleased parts, which includes prototypes, pre-release and sample parts, Seller warrants for a period of twelve (12) months from the date of original shipment (the "Warranty Period") that the Products will operate in conformity with written performance specifications set forth on Seller's most recently published product data sheet for the production version Product (the "Specifications"); provided, however, that this warranty shall not apply to any Product (i) which has been damaged, abused or misused physically or electrically (including, without limitation, by being operated outside the range of any environmental, power or operating parameters indicated on Seller's data sheet), (ii) on which the trademark shall have been defaced or obliterated or (iii) which has been reworked or repaired by any party other than the Seller without Seller's prior written authorization. Buyer shall request, in writing, a return material authorization ("RMA") within the warranty period prior to returning any nonconforming Products. Any claim under this warranty must be submitted to and received by Seller within the Warranty Period. Seller's issuance of an RMA will not commit Seller to the making of any repair or replacement hereunder. Requests for RMAs must list the types and quantities of all Products involved, the reason(s) the specific Product units are alleged to be defective or otherwise non-conforming, and provide any other information reasonably required by Seller concerning operating conditions involved and the period of use. In addition, the Order number and, where possible, the original invoice number covering the original purchase of the Products involved must also be identified on the RMA request. Returned Products must be shipped, transportation prepaid, by the most practical method of shipment. Shipping costs will be credited to the Buyer for all Products found to be subject to warranty adjustment. Excessive transportation costs will not be allowed. Seller can accept no billing for packing, inspection, labor charges or other incidental costs in connection with any Products returned. Unless otherwise requested by Buyer, returned Products found not subject to this warranty will be sent back to Buyer, transportation collect. In all cases, Seller's determination will be final. With respect to Products found not in conformity with this warranty, the remedy will take the form, at Seller's option, of a replacement or repair of the defective or nonconforming Product. In the event Seller determines that it is uneconomical to replace or repair warranted Products, Seller may, at its sole option, remit the dollar equivalent based upon the original Product sales price and said remittance will be calculated by applying the pro rata percentage of the unexpired warranty to the original Product sales price. In the event of replacement pursuant to the foregoing warranty, such warranty shall apply to the replaced product. In the event of repair pursuant to the foregoing warranty, the validity of the foregoing warranty will be twelve (12) months from the date of shipment of the repaired Product less the period of time between the date of original shipment and the date on which Seller received return of the Product for repair. Seller's sole obligation and liability for non-conforming Products shall be, at its expense and at its sole option, to repair or replace them or to accept their return and refund You the applicable purchase price to the extent paid by You. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES WHETHER WRITTEN, ORAL, EXPRESS OR IMPLIED (INCLUDING, WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) AND SHALL BE EXPRESSLY FOR THE BENEFIT OF THE BUYER WITH NO TRANSFER RIGHTS OR BENEFIT TO ANY THIRD PARTY. THE FOREGOING CONSTITUTES BUYER'S SOLE REMEDY AND SELLER'S SOLE LIABILITY FOR BREACH OF WARRANTY. NOTWITHSTANDING THE FOREGOING OR ANY OTHER STATEMENT IN THESE TERMS, ANY AND ALL PARTS THAT ARE SHIPPED AS SAMPLES, PROTOTYPES OR IN PRE-PRODUCTION OR PRE-RELEASE FORM, WHETHER DESIGNATED AS SUCH BY SELLER IN AN ACKNOWLEDGMENT, INVOICE, SHIPPING DOCUMENT OR OTHER WRITING ISSUED BY SELLER AS "PRE-PRODUCTION RELEASE PARTS", "PRE-PROD", "SAMPLE", "PPR" OR

BY OTHER SIMILAR NOTATION IN THEIR PART NUMBER OR OTHERWISE, OR THAT OTHERWISE HAVE NOT YET BEEN RELEASED BY SELLER FOR GENERAL AVAILABILITY, MAY CONTAIN DEFECTS AND ARE PROVIDED "AS-IS, WITH ALL FAULTS" AND WITHOUT A WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED. Seller reserves the right to change the part number for any pre-production release part to the applicable corresponding production released part number at any time and will notify Buyer of any such change.

4. DELIVERY.

4.1. Unless otherwise explicitly agreed upon in writing, Seller's shipment terms are *Ex Works*, factory of production per Incoterms 2010.

4.2. Seller shall not be liable by reason of any delays in performance caused by war, fire, strikes, floods or other natural disasters, accidents, acts of terrorism, Government priorities or regulations, delays in transportation, shortages of materials and/or supplies or any other causes beyond its reasonable control. If shipment of any Product is delayed at Buyer's request, Seller may invoice Buyer for such Product and risk of loss of such Product will pass to Buyer on the date that Seller is prepared to make shipment to Buyer.

4.3. Rescheduling of shipments shall be by mutual agreement. Notwithstanding the foregoing, the Seller's extensive line of products requires close coordination of the Buyer's requirements with the Seller's production schedules to avoid possible delays in shipment. Accordingly, the Seller reserves the right to ship in advance of the Seller acknowledged schedule date unless the Buyer is established as a "Just in Time" (JIT) account. Unless otherwise stated on the face hereof, Seller may ship all the goods furnished hereunder at one time, or in separate parts or lots from time to time within the shipping period herein provided. Claims that the Seller did not ship the total quantity of goods shown on the face hereof will be researched and reconciled with all due diligence.

5. PAYMENT.

5.1. Payment shall be due and payable thirty (30) days from date of invoice. No discounts are allowed. Payment shall not be withheld on account of any claim by Buyer against Seller. Seller reserves the right, in addition to all other remedies available under these Terms or at law (which Seller does not waive by the exercise of any rights hereunder), either to cancel the Order or suspend deliveries if Buyer fails to pay for any invoice or shipment when payment becomes due.

5.2. Any tax, duty, custom, or other fee of any nature imposed upon this transaction by any government authority shall be paid by the Buyer, in addition to the price quoted or invoiced. In the event Seller is required to prepay any such tax, duty, custom or other fee, Buyer will reimburse Seller therefor.

5.3. Buyer agrees to pay Seller, on demand, interest at the maximum rate permitted by applicable law for any late payments, calculated daily and compounded monthly, together with any and all related collections costs, court costs and attorneys' fees incurred in the collection of such overdue amounts.

5.4. If Buyer is located in the U.K, the following payment terms apply: unless specifically otherwise agreed in writing by Buyer and Seller, all payments are to be made in UK Sterling (GBP). If made by cheque, the cheque must be drawn on a U.K. Bank. All banking charges, if any, are to be pre-paid by the Buyer.

5.5. If Buyer is located outside the U.K., all payment terms are measured from the date of invoice and payments are to be made in the agreed-upon currency as designated in the applicable Seller quotation. If made by cheque, the cheque must be drawn on a Standard & Poor's triple A-rated bank headquartered in the country of Seller's principal place of business. All banking charges, if any, are to be pre-paid by the Buyer.

6. TITLE AND RISK OF LOSS.

6.1. Title and risk of loss in the goods shall pass in accordance with the delivery and carriage terms stated in the Seller's acknowledgement of order or in the absence of such statement on leaving the Seller's premises.

6.2. As collateral security for the payment of the full invoice price of the Products, Buyer hereby grants to Seller a lien on and security interest in and to all of the right, title and interest of Buyer in, to and under the Products, wherever located, and whether now existing or hereafter arising or acquired from time to time, and in all accessions thereto and replacements or modifications thereof, as well as all proceeds (including insurance proceeds) of the foregoing. The security interest granted under this provision constitutes a purchase money security interest under the applicable state's Uniform Commercial Code.

7. CANCELLATION.

7.1. **Cancellation if Buyer in U.K.** In the event that either party defaults in any of the terms, conditions, obligations, undertakings, covenants, or liabilities set forth herein, the other party shall give the defaulting party written notice of such default. If the defaulting party does not remedy such default within sixty (60) days following receipt of written notice thereof, the party giving notice may cancel the Order by providing the defaulting party with a written notice of cancellation. In addition to any remedies that may be provided under these Terms, Seller may terminate this Agreement with immediate effect upon written notice to Buyer, if Buyer: (a) fails to pay any amount when due under these Terms and such failure continues for sixty (60) days after Buyer's receipt of written notice of nonpayment; (b) has not otherwise performed or complied with any of these Terms, in whole or in part; or (c) becomes insolvent, is unable to meet its debts as they become due, files a petition for bankruptcy or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization or assignment for the benefit of creditors, or enters into any other arrangement or composition with creditors, or goes or is put into liquidation. Cancellation of the Order shall not relieve either party from its obligations hereunder which shall have accrued prior to such cancellation. Cancellation of an Order by Buyer pursuant to this article shall be Buyer's sole and exclusive remedy for any breach by Seller.

7.2. **Cancellation if Buyer Outside of U.K.** In the event that either party defaults in any of the terms, conditions, obligations, undertakings, covenants, or liabilities set forth herein, the other party shall give the defaulting party written notice of such default. If the defaulting party does not remedy such default within sixty (60) days following receipt of written notice thereof, the party giving notice may cancel the Order by providing the defaulting party with a written notice of cancellation. In addition to any remedies that may be provided under these Terms, Seller may terminate this Agreement with immediate effect upon written notice to Buyer, if Buyer: (a) fails to pay any amount when due under these Terms and such failure continues for sixty (60) days after Buyer's receipt of written notice of nonpayment; (b) has not otherwise performed or complied with

any of these Terms, in whole or in part; or (c) becomes insolvent, is unable to meet its debts as they become due, files a petition for bankruptcy under any provision of the bankruptcy laws in the country of Buyer or Seller as applicable, or has commenced against it proceedings relating to bankruptcy, receivership, reorganization or assignment for the benefit of creditors, or enters into any other arrangement or composition with creditors, or goes or is put into liquidation or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction. Cancellation of the Order shall not relieve either party from its obligations hereunder which shall have accrued prior to such cancellation. Cancellation of an Order by Buyer pursuant to this article shall be Buyer's sole and exclusive remedy for any breach by Seller.

7.3. Orders accepted by Seller can only be cancelled for Buyer's convenience by providing written notice at least thirty (30) days prior to the acknowledged ship date. In the event an Order is canceled for Buyer's convenience, Buyer will be liable for the sales price of all finished goods, plus the total cost of all work in process, all raw materials purchased for the Product, including long lead time and/or bulk material, a reasonable profit and any other commitment made by, or cost incurred by, the Seller for the specific purpose of complying with the Order. In no event will Buyer's liability under this section exceed the total value of the canceled portion of the Order.

8. GOVERNING LAWS AND EXPORT CONTROLS.

No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement operates, or may be construed, as a waiver thereof. No single or partial exercise of any right, remedy, power or privilege hereunder precludes any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. No action may be brought for any breach by Seller more than one (1) year after occurrence of the cause of action therefor.
